The Prelims Test Series Programme, is one of the most sought after short term course offered by ALS. The programme is meticulously designed with special focus on framing multiple choice questions which will ensure preparedness for participants to deal with the unexpected. It encompasses of 20 tests at two levels.

LEVEL-I: It include 12-module tests, 9 on GS and 3 on CSAT. It is a comprehensive programme for IAS Preliminary Examination 2021. The course will help you in providing an opportunity for practice, updating and deepening your knowledge in the concerned module and will improve the relevance of your efforts needed for the competition.

LEVEL-II: 4 Simulated Tests have been specifically designed keeping in mind the exact pattern of the Preliminary Examination. These tests will provide hands on experience and finally prepare you for taking up the Preliminary Examination.

The programme will help you in the following different ways:

1. In understanding where to lay emphasis
2. Make you aware and comfortable with the changing pattern of the paper
3. Let you easily meet all the challenges in tackling the questions
4. Help you understand the approach one should take with respect to negative marking
5. Improvement in time management
6. How to make use of spatio-temporal mental maps
7. Help you learn the art of elimination and zeroing down to correct answers
8. Train you how to employ spontaneous judgment and use of common sense
9. Make you understand various ways in which one can use extra-disciplinary knowledge to answer the questions of a particular discipline
10. How to prepare and tackle the question on Current Affairs
11. Let you comprehend the techniques for answering the questions on assertion reasoning and other specific category of questions
12. How to avoid blunders in the examination hall
